

DESIGNETICS PATENTS

INSPIRATION MEETS INNOVATION.

Designetics created an industry—and as such, built many fluid applications and designs from scratch, innovating and paving the way for manufacturers to fulfill their ever-expanding needs. In fact, Designetics leads the industry in patent development and approval, solidifying its position as the worldwide leader in fluid application systems and solutions.

Here is a listing of current patents:

#5131349	#D480632	#D708699	#D715401	#D828413
#5743959	#D480959	#D708700	#D715897	#D829781
#6471774	#D576848	#D708701	#D748223	#D829782
#6547880	#D641255	#D709165	#D751400	#D829783
#6641665	#D694853	#D709989	#D755865	#D829784
#6649220	#D705893	#D714420	#D755866	#D831712
#7390533	#D705894	#D714902	#D758531	#D832314
#9061313	#D708294	#D714903	#D765522	#D834076
#9180480	#D708295	#D714904	#D772314	#D834625
#9433968	#D708296	#D714905	#D803284	#D837843
#9549654	#D708297	#D714906	#D803914	#D846607
#9731313	#D708298	#D714907	#D805115	#D847229
#10723609	#D708299	#D715399	#D806149	
#D468633	#D708698	#D715400	#D812658
